

The Perpetual Light

Presented to graduates, friends and supporters of Our Lady of Perpetual Help School

A MATTER OF PRINCIPAL

By Bill Kovacich

It was a busy and exciting year for students, parents, staff and alumni of Our Lady of Perpetual Help School: 1) Our evaluation and accreditation by both the "Western Association of Schools and Colleges" and the "Western Catholic Education Association" culminated in full six-year accreditations for our school--a credit to staff as well as parents and students. 2) Thanks to money received from Title I federal programs, as well as grants solicited by our vice-principal, Sheila Ortega, and our eighth-grade teacher, Mary Lucett, we were able to purchase eighteen laptops and an "iBook" mobile cart to bring our upper grade computer program into the 21st century. (Our next goal--a similar set-up for the lower grades). 3) Our January Alumni "Open House" brought back many alums to the school and our first alumni auction/dinner social in March generated enough revenue for us to begin an endowment fund and to launch a modest scholarship program.

What does the future hold? Our plans for the coming year, besides the continued revamping of our computer program (\$18,000 estimated cost) include the repair of the leaking windows in the library and kindergarten (\$38,000), as well as the repair of resulting water damage to Alumni Hall and the eventual replacement of the Hall lighting.

Our student body enrollment is high, our kindergarten is full and our tuition remains the lowest in San Mateo County (\$3,400). But with rising costs, especially in the Bay Area, many of our families still struggle. We must continue to build our endowment and scholarship funds while maintaining our fundraising efforts both in school and through development department projects. When everyone--students, parents, parish and alumni--pitch in, we are confident that we can both maintain existing programs and continue to grow into the 21st century.

BACK TO THE TOP OF THE HILL

By Ed Mahoney, Development Director

Dear Our Lady of Perpetual Help Family Members,

I can honestly say that the past year has been one of the most interesting years of my life. Little did I know, twelve months ago, that I would be beginning a task that is not only rewarding and challenging, but also a lot of fun. I want to sincerely thank the administration, staff and students of OLPH for making me feel most welcome back at my Alma Mater. Further, I want to thank the alums and friends of OLPH who have stepped up and shown that they still care about their old school and the memories and traditions which were established here over the last 70+ years.

My initial goals remain the same: 1) develop a comprehensive contact list (I'm nearing 1000 addresses now, up from less than 100); 2) gather all of the graduation photos and mount them in Alumni Hall (there are now only 5 classes missing--see article inside); 3) increase both the endowment and scholarship funds, which need to grow considerably to make a real difference; and, 4) actively seek donations and pledges to help in upgrading the school facilities.

On a social level, the 1st annual Alumni Open House and Auction/Dinner Dance Fundraiser were well attended and enjoyed by all who participated. Funds in excess of \$14,000 were raised through the auction and raffle; the Memorial Scholarship founded in

memory of my Mother, Lorraine Mahoney, has generated several thousand dollars to be used to aid future OLPH students. Individual contributions from alums and friends of OLPH have been gratefully received and placed into the scholarship/endowment kitty.

In all, the first year was a positive one upon which to build. Please make plans to attend one or more of the functions being planned for next year. Join in helping to build the endowment and scholarship funds. Contact me if you have creative ideas for fundraising and/or helping with the repair and upgrade of our beloved school.

And please remember —

Tours of the school were conducted by 7th and 8th graders.

The Eucharist was concelebrated by OLPH Pastor, Father Antonio Petilla, **Father Joe Gordon '59** and **Deacon Bill Bruening '59**. Readers at the mass included **Elsie (Belli '40) Tonelli**, **Marjorie (Schreiber '40) McHugh**, **Anne (Nolan '51) Dowd**, **Arleen (Kordoules '53) Russi**, **Pat (Ricci '56) Casey**, **Andy Serrano '74** and **Rosemarie (Vergara '93) Fontela**. The Offertory gifts were presented by **Marion (Elliott '48) Oakley**, **Aileen (Greer '48) Hogue**, **Betty (Curtin '48) Cutietta**

In addition to numerous individual alums, visiting guests included three "sister acts": the **Schreiber** sisters from the 40's (**Marjorie '40**, **Kathleen '41**, **Nancy '45** and **Janet '48**), the **Ricci** girls (**Pat '56**, **Judy '59** and **Donna '62**) and the **Sanchez** sisters from the 80's (**Ana**, **Veronica** and **Cecilia**).

In all, about 100 former OLPH students came back to tour the school, socialize and celebrate Mass together, establishing a tradition that will be repeated annually. "2006 Open House" will be Saturday, January 28, 2006!

First Annual Auction-Dinner Dance

– a Huge Success

"Homecoming 2005" was the theme of a very successful fundraiser held in OLPH "Alumni Hall" on Saturday, March 5, 2005. The combined efforts of the OLPH Development Department, school administration, faculty and staff, and various alums and OLPH parent volunteers, produced a healthy \$14,000 profit for scholarships and building upgrades.

The event was a sell-out, with a combination of past grads, friends and supporters of OLPH enjoying the delightful cuisine of **Mazzafarro's Catering**. Music was provided by **Gypsy Ensemble**, with strolling violinist **Tibor Horvath** providing melodic dining music with his partner on keyboard, **Yelena Savchenko**. After dinner, the music evolved into a disc jockey format, with all types of tunes available in Tibor's vast repertoire. Dancing continued until midnight.

After the close of the silent auction, a very spirited live auction ensued, called by volunteer **Dr. Joseph Awender, DC**, of South SF. The good doctor kept 'em bidding on the ten featured items, which included a limo tour for 10 to the wine country, four seats in the SF Giants' owners' box (thank you **Larry and Kathy (Carroll '59) Nibbi**), and a one-week time share (choice of numerous locations) donated by Kindergarten teacher **Venus Canizal** and her family.

High bidders for the night included **Mimi and Mike Shea '61**, the **Parodi Family**, and a contingent of the class of '64: **Ken and Noelle (Clarke) Bianchi**, **Kathy (Harrison)** and **Tom Duffy** and **Rich and Barbara (Senkir) Hall**. Lucky winners of the cash raffle were: \$1000--**Eva Aiello** (good friend of **Elsie (Belli '40) Tonelli**); \$500--**Marina Chiappelone**; \$250 **Mary (Schubert '44) Pakulak**; \$100--past OLPH parent **Andrew Ferrari**; and \$50--3rd-grader, **Arslan Rashid**.

Make plans now to attend next year's 2nd auction-dinner/dance in March, 2006. More details in the Winter newsletter.

2005 ~ A Banner Year for OLPH

“Survival Island” – 2005 School Play a Smash!

Forty-five junior high (6th -8th grade) students participated in this year's school comedy/drama called "Survival Island." An original play, written and directed by principal, Bill Kovacich, this two-hour production tells the story of a group of characters who, while on their way to a "Survivor"-style TV show, are actually shipwrecked and must survive for real. The high drama, crazy characters and surprise twist ending all contributed to a most amusing evening for audiences during the three-night run. Fans unanimously agreed that the high quality acting, professional lighting and polished production make OLPH's performances unique in the world of junior high drama.

2005 SPECIAL AWARDS: Principal Bill Kovacich, Mary Lucett, Rhody (Sutherland '43) Valente, and Past Principal James Costello. Ms. Lucett was presented with the "James Costello Service to Students" award and Ms. Valente received the "OLPH School Community Service" award.

Goodbye, Class of 2005

On June 2nd, thirty-two eighth grade students walked up the aisle of OLPH church to receive their diplomas from Pastor Fr. Antonio Petilla and Principal William Kovacich. Two thirds of them had been in the school since kindergarten. Almost half of the class received academic awards; many others were given scholarships of honor from local high schools and businesses, or given awards for effort and social or religious service. We are proud of all of them and know that they will go on with accomplishments to equal or surpass the seventy graduating classes before them.

OLPH Students Carry On Sacred Tradition

Our Lady of Perpetual Help School sponsored its fifteenth annual dramatization of the Stations of the Cross, by seventy 7th and 8th grade students, at St. Mary of the Assumption Cathedral, in San Francisco. The students offer a meditation and prayer at each station, applying the mystery of the Station to their life in today's world. Students are dressed in white robes and other garb to depict the various characters. The same cross and crown of thorns has been used each of the fifteen years. The cross carries with it the fifteen signatures of each boy who has taken the role of Jesus. Joan Martin, an OLPH parent and a primary aide who has since retired, made the Crown of Thorns from a vine she had growing in her garden. Today, the Crown shows its age and is lovingly held together with fresh vine. Quite impressive to onlookers who attend Good Friday services at the Cathedral.

The dramatization has been under the leadership of 8th grade teacher Mary Lucett and Sheila Ortega, Vice-Principal and 7th grade teacher. Many faithful from the parish and surrounding business offices come to the Cathedral for this prayerful conclusion of Lent.

OLPH Icons Retire

Two longtime fixtures at Our Lady of Perpetual Help School in Daly City, Rosemary "Rhody" Valente and Betty O'Connor, decided to call it quits at the end of the 2005 school year. Together they contributed almost 100 years of service to OLPH.

Since 1976, Betty, the Kindergarten teacher, was not only a faculty member for almost 30 years, but also an OLPH parent. Ellen and Dymphna, her two daughters, attended OLPH in the 80's.

Rhody, who served as the school's bookkeeper for many years, was also an OLPH alumna, graduating as Rosemary Sutherland in 1943. She wed her grammar school sweetheart, her late husband, George Valente, also an OLPH '43 grad. They had four kids--Joe, Jeff, Jim and Jolene--who likewise spent their elementary school years at OLPH. The remarkable devotion of these two ladies was recognized at their retirement dinner on Friday, June 10th, at the Basque Cultural Center.

THE LORRAINE EDNA MAHONEY MEMORIAL SCHOLARSHIP FUND

A scholarship fund has been established at OLPH in the memory of Lorraine Mahoney, who passed away on October 26, 2004. Her two sons, John and Ed, attended OLPH in the 1950's and early '60's. The fund has been registered with the Archdiocese of San Francisco in hopes of eventually reaching endowment. The proceeds from this fund will be used to assist OLPH students with tuition and fees.

Donations may also be made to the Fund in memory of a departed loved one who will be remembered in prayers in future masses at OLPH Church and whose name will be entered into a memorial album. Please make checks out to "OLPH Development Department" and mail to:
