

# The Perpetual Light

Presented to graduates, friends and supporters of Our Lady of Perpetual Help School

## Back to the Top of the Hill

Greetings Alums, Friends and Supporters of OLPH,

I find it hard to believe that I'm about to start my 9th year working as Development Director at OLPH. Upon completion of this year, I will have just about equaled the amount of time I spent up here as a student, Kindergarten through 8th grade, 1952-1961. I must say that, with the exception of a few rough spots as a student, the experience has been an overall blessing for me.

OLPH continues to be a melting-pot of students seeking a well-rounded Catholic, faith-based education, just as it always has been. Any of you who have visited the campus in recent years can see that the ethnic composition of today is a bit different from the way it was in days gone by. Still, the core values and teaching methods mirror those of years past and OLPH students, past and present, can generally attest to the fact that they have received a first-rate education when they walk out the doors on Wellington Avenue to pursue their next step in the High School of their choice.

The administration, faculty and staff here at OLPH, want to continue to provide this first-rate education to OLPH students for as long as we possibly can, while still trying to keep it affordable for Northern San Mateo County's working families. While we still have the lowest tuition in the area, tuition alone does not provide sufficient funds for this purpose. So we turn to you, our bedrock of support, for your help in donating to our various programs, listed below. Please take a moment to check a box and write a check to OLPH. The future of your Alma Mater depends upon it.

Thank you, Ed Mahoney, *OLPH Development*

## SAVE THE DATE ~ ANNUAL AUCTION FUNDRAISER SATURDAY, MARCH 2, 2013

Dear OLPH Family and Friends,

# "An Evening in Roma" – La Bella Notte at OLPH

Once again, the annual OLPH Development Department fundraiser exceeded expectations and turned in a very healthy profit. The theme of this year's event—"An Evening in Roma"—brought out the best in creativity of the decorations committee, Mrs. Chan, Mrs. Keller and Ms. Stella, as OLPH Alumni Hall was transformed into a scene right out of Rome, Italy with decorations and table adornments fashioned by OLPH students, teachers and parents. The guests quickly got into the mood with the Silent Auction, bidding on numerous lovely items all donated by members of the OLPH community—parents, teachers, Alumni, friends and supporters of our beloved school. After a delightful, Italian-themed dinner of pasta and various sauces by Lidia's of South San Francisco, the Live Auction began. This is generally our largest single moneymaker of the year and this year was no exception. Terrific bids came in on the club-level Giants box tickets donated by the Nibbi Family, the Maui time-share vacation prize from the Milano/Allen Family as well as Larry Murray '65's yacht cruise on San Francisco Bay. A delightful encore performance by Tibor Horvath and Gypsy Ensemble set the musical tone for the evening.

As usual, the OLPH Parents' Club and student volunteers played a big role in making the evening a success, checking guests in and seating them, selling raffle and drink tickets, as well as managing the distribution and payment of auction prizes. The OLPH "Golden Class" of 1962 was on hand with 5 grads who received their Golden Diplomas from OLPH Principal Bill Kovacich.
