

The Perpetual Light

Presented to graduates, friends and supporters of Our Lady of Perpetual Help School

A MATTER OF PRINCIPAL

By Bill Kovacich

As we begin our second year as principal of Our Lady of Perpetual Help School, the goals set when we arrived here begin to take shape. The tired building needed some sprucing up and we have just completed painting of the hallways, stairwells and foyer. For safety, we have moved the school office downstairs by the main entrance. The administrative offices and conference room remain on the middle floor. We have tidied up the cafeteria, now known as "Alumni Hall", with some paint and the collecting and hanging of the graduation pictures of all our alumni (see accompanying article). This year, we have purchased new desks and chairs for the third, fifth and sixth grades, completing a two-year revamping of all classroom furniture for the school. Finally, with the help of the parish, we have replaced the leaky school roof.

This year, we initiated a development office with the hiring of alumnus, Ed Mahoney, formerly of Archbishop Riordan High School. We have saddled him with some lofty tasks in his first year like the formulation of an alumni list, the initiation of our alumni newsletter, and the planning of two events: 1) an Alumni Open House on January 29th, 2) the planning of our first Dinner/Auction on March 5th. As you can see, Mr. Mahoney is a very busy man.

Our plans for the future include the restructuring of our computer lab and curriculum, new lighting in Alumni Hall, and the establishment of both a scholarship program and an endowment fund.

Many of you have already come back to visit us. I have met scores of graduates from the 40's and 50's and have even heard from a few in the '30's. O.L.P.H. has a long and storied history and I look forward to meeting or hearing from all of you who at one time called the "grand old lady at the top of the hill" your home.

BACK TO THE TOP OF THE HILL

By Ed Mahoney, Development Director

Dear Alums and Friends of Our Lady of Perpetual Help School,

I feel extremely fortunate that OLPH Principal, Bill Kovacich, has asked me to take on the task of Development Director so soon after my retirement from Safeway. Over the years, many people have been amazed when I've told them that the majority of my closest friends today are the people I have known since my early days at OLPH. To be working where my formal education began, 52 years ago, is not only a pleasure for me, but also a real honor.

With that in mind, I would like to extend to all of you greetings from Our Lady of Perpetual Help School and a warm invitation to come back to "The Top of the Hill." We have planned an Open House/Mass on January 29th and an Auction/Dinner Dance on March 5th of 2005. I hope that many of you will be able to come to one or both events. Details on these two gatherings are enclosed within this newsletter.

The hunt continues for addresses of past grads and friends of OLPH. I started with about 75 addresses in July and now I am up to about 500. I am hoping to double that number to at least 1000 by the time the Auction/Dinner Dance rolls around. Please help me by providing addresses for those with whom you are still in touch or ask them to send their info to me at the school.

Another major project for the Development Department has been the acquisition and duplication of all the graduation photos in OLPH's history. Once duplicated, the class pictures are then mounted in OLPH's "Alumni Hall." I would now like to take the time to acknowledge the extreme devotion of our 8th grade teacher, **Mary Lucett**. It is mostly through her efforts, and those of Mr. Kovacich, that this daunting task is starting to look like it can and will be accomplished. However, we are still missing some graduation photos. Please read the "Alumni Hall" article and help us locate the missing photographs so that all classes will be represented.

You will notice that the focus of this newsletter revolves around OLPH history and human memories. Since the Development Department has only been in existence since August and there were precious few past efforts to build on, we are basically starting from scratch. The lion's share of ink in this issue has been spent on the very early days—the 30's, 40's and 50's. Future issues will focus on later decades, so I beg the indulgence of you later grads in the meantime.

THE LORRAINE EDNA MAHONEY MEMORIAL SCHOLARSHIP FUND

A scholarship fund has been established at OLPH in the memory of Lorraine Mahoney, who passed away on October 26, 2004. Her two sons, John and Ed, attended OLPH in the 1950's and early '60's. The fund has been registered with the Archdiocese of San Francisco in hopes of eventually reaching endowment. The proceeds from this fund will be used to assist OLPH students with tuition and fees.

Donations may also be made to the Fund in memory of a departed loved one who will be remembered in prayers in future masses at OLPH Church and whose name will be entered into a memorial album. Please make checks out to "OLPH Development Department" and mail to:

CLASS REUNIONS

Thanks to those individuals who have taken the time to send in pictures of their class reunions. You are encouraged to send in reunion pictures for future newsletters. Please provide the names of each classmate in the pictures sent.

If you are planning a reunion for your class, please let us know and we will help to publicize the event in our newsletter. While each class is responsible for planning and implementing its own reunion, the OLPH Development Department can be of assistance in providing known addresses of classmates and some of the other details, which may be of help to you. If you would like to hold your reunion at the school, please submit several possible dates and we will attempt to schedule one for you that does not conflict with other school or parish activities. Naturally, all set-up and clean-up, etc. are the responsibility of the hosting class.

Timely reunions in 2005 would include: Any class prior to 1950, 1955 (50 years!), 1960, 1965, 1970, 1975, 1980, 1985, 1990, 1995 and 2000. Contact Ed Mahoney at (650) 755-4438 if you want to get the ball rolling. Leave a message with Arleen and Ed will call you back.

Where Are They Now???

1st grade in 1933. This was the first year of Our Lady of Perpetual Help School's existence. Many of these students went on to graduate in 1940—the first to go through all 8 grades. (Courtesy of Marjorie (Schreiber '42) McHugh)

1938 Don Menicucci was one of 11 Menicucci's to attend OLPH from 1933 to 1948. A superior athlete at OLPH, Don went on to make the All-City football team at Balboa High School, earning a scholarship to the University of San Francisco, where he played football in 1942. After a stint in the Coast Guard (where he also played service football), Don came back to The City to join the family electrical business, playing professional football at the same time for the San Francisco Clippers. He currently resides in Vallejo with his wife of 56 years, Jean, where he stays active with his family (6 grandchildren!), playing golf and volunteering his services on the Board for the Rancho Murieta Community Services District.

1940 Father Stanley Parmisano sends regards from Oakland, where he resides as a Dominican priest at Saint Albert's Priory

1940 Eileen Mullen recalls that students attending OLPH, in her day, were taught in buildings that were owned by the Smith Lumber Company of Daly City. "Regularly, rocks from the adjacent hillside would fall and block the only door to one of the classrooms." Nevertheless, Eileen has fond memories because "it's not really the plant but the people who make a good school."

1941 Roderick Linhares recently retired after a long and devoted career in elementary education. His last post was as school principal in the Laguna Salada (Pacifica) School District.

1942 Dolores Sutherland resides in Petaluma and serves as an assistant at St. James Church with Father Michael Culligan.

1943 Rosemary (Sutherland) Valente serves as the Chief Financial Officer (bookkeeper) at Our Lady of Perpetual Help School. She has volunteered to be a co-organizer of the OLPH Alums and Friends Open House and Eucharist on Saturday, January 29, 2005.

1943 Evelyn (Mullen) Castleberry sends greetings from Petaluma, California. "In my day ('35-'43) families were generally very small (1-2 children). There were three children in my family, but I remember the Menicucci and Zarcone families were very large." Evelyn's "best friend forever--first grade at OLPH through Mercy High, through life" is none other than Patricia (Tallon) Brooks '43, who now lives in Palm Springs, California.

1944 Leslie Linhares, sister of Roderick, was not only an early graduate of OLPH, but also taught there in the 50's and 60's.

1945 Allen Menicucci has visited OLPH twice in the last few months, on the first occasion bringing with him the original copy of the Class of 1945 photo. A total of 11 Menicucci brothers and sisters populated OLPH in the early days and, at one time, there were Menicucci's in every grade level! Al is a retired electrician who keeps busy with the Elks and other social contact groups.

1945 Sister Adele Marie Korhummel serves as the archivist at the Mother House of the Sisters of St. Joseph of Orange. She responded to the initial mailing of the Development Department by sending back a package of beautiful photographs from the early years at OLPH, some of which are printed in this newsletter.

1947 Joan (Romiguere) Clavien informs us that she is the proud Mom of Robert and Michelle and the grandmother of Sara and Ashley. She provided the Development Department with the addresses of her cousins--the Reardon's and the Parmisano's--who were ubiquitous at OLPH in the 1940's.

1947 Dr. Robert Gross retired in 1994 as superintendent of the Jefferson Union High School District and now serves on the SF Archdiocesan School Board. Bob remembers that his class was promised to be the first to graduate from the new building. Since the building was not quite finished when the Class of 1947 matriculated, the students were treated instead to a graduation breakfast in the new hall.

1947 Sister Lauren Boyle is a Dominican nun currently residing in San Jose.

1948 Janet (Schreiber) Cereghino is proud to have been a member of the first class to graduate from the new building. Her folks, Margaret and Dean Schreiber, sent all six of their children to OLPH--Dean (deceased), Marjorie, Kathleen, Nancy, Janet and George (deceased). She is the mother of five kids, 3 of whom attended OLPH until the family moved from Daly City in 1964.

1948 Marion (Elliott) Oakley has been the prime mover in annual reunions of their class. Their last reunion at Nick's in Rockaway Beach in 2003 was attended by 16 grads of the class of '48.

Notes from past grads of the 30's, 40's and 50's

1948 Jackie (Frellson) Castruita has a special memory at OLPH of being the first one in her class to learn the poem "Daffodil." Acknowledging her special talents with poetry, Sister Grace Marie dropped by her home during the summer to present Jackie with a collection of poems, writings and notes she had collected over the years. Although Jackie was away at Catholic girls' Camp Imelda in Monte Rio at the time, she was given the book when she got home and treasures it to this day.

1949 Diane (Furger) Ross writes from Greenville, Pennsylvania, "far from California, which I call God's country, since the weather is so much better than what I have here." Diane has 10 living children and recently became a grandmother for the 18th time. She currently raises cows for beef ("a very small herd of 15 right now") after 30 years of running a dairy farm with her husband, who passed away 16 years ago.

1951 Ann (Nolan) Dowd retired recently from a long career in the finance department at City College. She is currently planning the reunion of the Immaculate Conception Academy (I.C.A.) class of 1955, which includes many OLPH grads (Carole (Menicucci) Baxter, Janet (Cirimele) Bosma, Aida (Gochez) Smith and Diane (Linhares) Wood, to name a few.)

1951 Carole (Menicucci) Baxter responded to the original inquiry and sent addresses of her surviving siblings and several other grads to us, after copying the letter and sending it out to all of them on her own. Along with some great pictures of the class of '51, Carole also included a copy of "The Last Will and Testament of the Class of 1950", leaving behind personal "possessions" to the soon-to-be 8th graders. A copy of the "will" is reprinted for your enjoyment in another section of this newsletter.

1953 Arleen (Kordoules) Russi has been the enthusiastic organizer of five reunions of her class. In 1993 Arleen spear-headed an OLPH "General Reunion" (all years—1933-1993) providing a reception for all grads, followed by the 40th-year reunion for the class of 1953. Ten years later she sponsored the 50th reunion of the class of '53 at the school.

1954 Raymond Wille recently dropped by the school with a cd that held a copy of the long-lost graduation photo of the Class of 1954. All of the original photos from 1949 through 1960 had been stored in the library for many years but, for some reason, the '54 photo was missing. Thanks for filling in the missing piece, Ray!

1956 Pat (Ricci) Casey has put together record-breaking reunions. The 40th-year reunion in 1996 was attended by 32 of the original 50 graduates. Outstanding work, Pat!

1956 Mike Nolan recently moved from Novato to Hawaii. Mike had a lengthy teaching career and was also a long-time employee of Safeway Stores. He and his brother Gerry (OLPH 1961) have been organizing canoe trip reunions down the Russian River since the 1950's. The original trip in 1957 included Mike and Gerry's dad, Ed Nolan (manager of the Daly City Bank of America), Bill Hopman '56 and his father, George, who was a member of the first Daly City Police Department in 1924.

1956 Joanna (McCarthy) Gernetzke writes that she now resides in Novato, CA and will be celebrating her 40th wedding anniversary in 2005. She and her husband are the beaming parents of 4 children and 3 grandchildren.

1956 John Mahoney has been practicing law for 34 years. He and his wife, Tita, live in Alameda, where he they operate a private practice. A large part of John and Tita's time these days is spent caring for and playing with their four grandchildren.

1956 Pat (Kennedy) McDonough wrote from Coronado California and mentioned what a nice time she had at their 40-year reunion in 1996. Pat's three brothers also attended OLPH--Larry '52, Jerry '55 and Michael '58.

1958 Mike Stanley has been responsible for planning and implementing three reunions for his class. Thanks to Mike, the Development Department has been able to contact many '58 grads. He and Terry Irwin '58 dropped by recently for a tour of the school and a viewing of the class photographs mounted in OLPH "Alumni Hall".

1958 Charleen (Maschinot) Hurton recently hosted a get-together for 9 of her classmates at her home in Chico. Sharing food, drink and memories were: Charleen, Mike Stanley, Terry Irwin, Chris Brown, Ruth (Shea) Schroeder, Bill Kane, Olivia Fontana, Rita (Reyes) Prodger and Bob DeGroot. While the class of '58 has had three general reunions since graduation, there is also a smaller group which meets annually.

1959 Father Joe Gordon has joined the priesthood upon graduation from OLPH and is currently affiliated with St. Catherine's Parish in Morgan Hill. Father Joe has stepped up to help in getting the OLPH Development program up and running. Over the years Joe has presided over numerous baptisms, weddings and funerals of OLPH grads and family members and has a genuine affection for his Alma Mater and all those who have been connected to it.

1959 Patti (Weeden) Lawler is living in Oregon with her husband, Patrick, and has four daughters--MaryPat, Katie, Maureen and Carrie. She began her nursing career in the Navy Nurse Corps and was stationed for a long time at the Naval Hospital in Oakland. A grandmother of five, Patti recently "retired after our last college tuition payment," but continues to work "on call" as a nursing supervisor at an ER in Portland.

NEXT ISSUE: 1960'S AND BEYOND...

OLPH WANTS YOU!!!

We are asking for your help in providing information, pictures and memorable thoughts and photographs for the next issue of the "Perpetual Light" newsletter. Where do or did you work? How long have you been with your significant other? Any kids? Grandkids? Memories of OLPH (good ones preferred, but we're not too picky!). Most importantly, the names and addresses of anyone who does not receive this newsletter and whom you think might enjoy being on the mailing list.

Information and pictures can be sent by mail, e-mail (EMah1965@aol.com) or fax at (650) 755-7366. Please put "Ed Mahoney" or "Development Department" on all submissions. Original photos and documents will be returned in the same condition as they are received.

Former students of OLPH submitted all of the pictures included in this newsletter. I am very grateful to them for their contributions. Please take the time to go through your old boxes and files and see what you can provide for us for the next newsletter. Every item is important!!!

ALUMNI HALL

Can you get the picture?

Whether you called it the parish hall, the meeting room or the cafeteria, it's still there—the big room on the first floor with the kitchen and the stage. It now has an official name—ALUMNI HALL.

In the foyer, the names of all the graduates of the 1930's line the short entryway to the hall and above the entrance doors large green letters spelling out "ALUMNI HALL" now greet one and all. Inside, the walls are lined with the photographs and/or names of every student from the seventy (70) graduating classes of Our Lady of Perpetual Help School...almost.

We are still searching for graduation photos, group or composite, for the following grad years: 1942, 1943, 1946, 1960, 1962, 1964, 1965, 1966, 1972, 1974, 1975, 1976, 1978 and 1981. Please help us fill in the missing pictures. If you have access to one of these class photos, please send it, e-mail it, bring it by or call and we'll pick it up. All original items will be treated with the same respect that you have for all these years. The pictures will be duplicated and sent back to you ASAP.
